Dear Fellow Dental Hygienist,

The NMDHA HY-PAC Raffle is in full swing. This is a great way to support the legislative efforts of your dental hygiene association and have fun at the same time! This year we are trying something new by having you print your own raffle tickets via our website. We hope by having each person print the tickets individually that we will increase our revenue, thus increasing the amount of money we can use toward supporting those issues that are important to you as a dental hygienist! If you would prefer to have printed tickets mailed to you directly contact me at [Mmp475@comcast.net](mailto:Mmp475@comcast.net) or 505-980-7799.

NMDHA HY-PAC is a nonpartisan committee dedicated to supporting those candidates whose political principles promote the highest quality oral health care for the citizens of New Mexico. As a nonprofit organization, the proceeds from the raffles will be used directly to promote oral health initiatives supported by New Mexico dental hygienists.

We have two raffles. For \$2.00 a chance you can win the grand prize of a silver concho belt from the Utility Shack, priced at over \$500. There are numerous other prizes included in the \$2.00 raffle. Buy your tickets and cross your fingers for the big drawing during the NMDHA Scientific Session. The tickets are two dollars each or a book of ten for twenty dollars.

This year we are lucky enough to have a fantastic raffle that you can participate in by donating \$10.00 a chance or \$25.00 for three chances. The winner of this raffle can choose from the following prizes: 1) A pair of titanium framed- high resolution dental loupes; 2) an Apollo LED headlight; or 3) a BodyGaurd chair. A portion of the proceeds generated from this raffle will go toward the National Children's Oral Health Foundation, Dental Hygienists' Toothfairy Campaign.

Please make your checks out to **NMDHA HY-PAC**. You may mail the tickets along with your check to **Pam Morris, RDH, 3113 Matador Dr. NE, Albuquerque, NM 87111** or turn them in at the Scientific Session.

The drawings will be held on Saturday, October 31, at the Scientific Session. Winners need not be present to win. Additional tickets for both raffles will be available at the Scientific Session. Thank you for supporting your dental hygiene profession.

Sincerely,

Missy Pleše, RDH, MS  
NMDHA HY-PAC Chairperson

There is no purchase necessary to enter the raffles; however, this is a fundraiser for NMDHA HY-PAC so we hope you will honor the purchase price for each ticket. If you do not wish to purchase a ticket to enter, please complete this form and mail in as directed above.

I would like to be entered into the NMDHA HY-PAC Raffles, but do not wish to make a donation.
