

President's Note:

Greetings New Mexico hygienists and welcome to NMDHA's first e-newsletter. Many years ago, NMDHA had a hard copy newsletter called the Discloser. The Discloser slowly went by the wayside as NMDHA created a website (nmdha.org) and created Facebook and Twitter accounts. NMDHA also has a constant contact e-blast that is emailed out to any hygienist who subscribes. The e-blast reminds hygienists of upcoming events and CEs. If you would like to subscribe just let Kelly know at scaleaway@comcast.net

NMDHA hopes you enjoy your new e-newsletter and that you will be inspired to take on a role to help the future of your profession. Feel free to contact me anytime.
